Mon 22 May	Wed 24 May	Learning Festival
Thu 25 May		Last Day of School (Semester 1)
Fri 26 May		Meet-the-Parents Session (Sec 1 to Sec 4/5)
Sat 27 May	Sun 25 June	Mid-year School Holidays

*The details for the Coordinated Weighted Assessment will be shared at a later date.

2. Start It Right! Programme

In the first week of school, from 3 to 6 Jan, the school is organising a Start It Right! Programme (SIR) for all Secondary 1 to 5 students. The objectives of the programme are to:

- set the overall tone and expectations for the school and individual levels;
- prepare students' mindsets to approach the year; and
- kick-start the building of good teacher-student and student-student relationships.

There will be **no** time-tabled lessons during the SIR programme.

The table below shows the overview of the programme and the schedule:

(Sec 2)

Date	Time	Event
Tues 3 Jan	7.30am – 1.40pm Attire: Full Uniform	First Day of School <ul style="list-style-type: none">• Principal's Welcome• Form Teacher Time• Discipline Talk• School Safety Talk• Student Ownership Briefing• DISCovering ME Programme

Fri 6 Jan	7.30am – 12.00pm Attire: Full Uniform/ Polo Tee	Start-it-Right Programme <ul style="list-style-type: none">• Form Teacher Time• Goal-setting• House I.Dentity

3. Independent Learning Day

In line with the Ministry's initiative to provide blended learning opportunities, we will continue to have a fortnightly Independent Learning Day (ILD). ILD will consist of two components: 1) curriculum coverage, which we call JOY (Joy of Learning, Ownership of Learning, Apply Learning); and 2) student-initiated learning by the name of Project Sandbox, where students will explore non-academic activities of their own interest. Through ILD, we will support the development of our students as self-directed and independent learners. Learning during ILD will take place at home and at students' own pace, although some students who opt for school-based Project Sandbox activities will come to school to participate in these*. The ILDs have been scheduled on even week Fridays.

* Payment for school-based activities will be in cash.

4. Learning Dispositions 2023

The Learning Dispositions is a unique set of qualities for teachers to provide students with holistic feedback about their readiness in learning. The Learning Dispositions are “Show self-directedness”, “Stay open-minded”, “Seek joy in learning” and “Strive for excellence”. Students are encouraged to apply the Learning Dispositions to any context where learning takes place, in academic and non-academic areas such as CCE, PE and CCA. We recognise that it is important to provide such feedback to students so that parents or guardians will be more aware of how well their child or ward is learning in school and how to support them further at home. The Learning Dispositions for every student will be included in the progress report. Details can be found in the school's website

<https://huayisec.moe.edu.sg/the-hua-yi-connection/for-parents>

5. Student Details Form - Digitalisation of Individual Student Details Report (ISDR)

The Ministry of Education (MOE) will be rolling out the Student Details Form (SDF) from Tue, 3 Jan 2023. The SDF is the digitalisation of the Pupil Data Form (PDF) and the Individual Student Details Report (ISDR). MOE would like to request for an update of your information and your child's/ward's information via the SDF for the purpose of providing educational services to your child/ward in MOE schools. Please submit the information through the SDF portal <https://pg.moe.edu.sg/forms/sdf>. Parents/Legal Guardians may login to the SDF portal using your Singpass account to submit your information and information of your child/ward. Authorised Caregivers can only submit your own information. We seek your help to complete the submission by 31 Jan 2023. More details will be sent via Parents Gateway (PG) by the Communications and Engagement Group next week.

6. Application for Financial Assistance Scheme (FAS)

Students who want to know more about FAS may refer to the MOE's website <https://www.moe.gov.sg/financial-matters/financial-assistance>. Should you wish to apply for FAS, refer to <https://go.gov.sg/moe-efas>. Do submit the online application together with the supporting documents or contact us at 6563 4568 should you have further queries.

7. Annual Health Visit and HPV Vaccination

Asiamedic Wellness Assessment Centre has been engaged by the Health Promotion Board to provide both the school-based health screening (for Secondary 1-2) and HPV vaccination (for Secondary 1 & 2 female students only) programme in our school. This will be conducted from 15 Feb 2023 to 28 Feb 2023. Parents/guardians will need to access the Child Consent Portal (<https://childconsent.hpb.gov.sg/>) via the letter (Annex A) attached to provide consent in order for their child to take the vaccination.

8. Student Attire

Students should observe the following attire arrangements when reporting to school.

Mon	Tue	Wed	Thu	Fri
Full uniform (with tie on Mondays during morning assembly period)				
	Hua Yi Polo Tee* with uniform bottoms			
	Approved School Tee with uniform bottoms: - PE/House Tee - Cohort Tee - CCA Tee - Student Leaders' Tee			

*The Hua Yi school polo tee is a formal alternative to the school uniform and can be worn from Tuesdays to Fridays.

9. Assessment Practices and Assessment Schedule 2023

At Hua Yi Secondary School, our school-based assessment is designed to capture the range of learning outcomes we want to see in our students. The school uses a variety of assessment modes as its weighted assessment (e.g. tests, presentations, open-ended responses, individual/ pair/ group work, projects as specified by the respective Academic Departments) to support and enhance learning.

Details on assessment weightage for 2023 can be found in our Student Handbook (pg. 71). The Assessment schedule for Semester One will be made available on our website at <https://huayisec.moe.edu.sg/the-hua-yi-connection/for-parents> at a later date.

10. PLD updates

The Personal Learning Device (PLD) for Secondary 2 to 5 students will need to be updated with the latest IOS and installed applications such as Google Classroom. All students are required to connect to the school network for the updates to take effect. Students may also need to reset their school email account. For any assistance, please approach Mdm Zaheera at the General Office or any of the Desktop Engineers at ICT Service Centre from 3 - 4 pm.

11. Secondary Two Cohort Learning Journey to National Museum Singapore

A Museum-based Learning visit to the National Museum of Singapore is organised as part of the mandatory cohort learning journeys in 2023. The objective is to foster a greater sense of national identity among our students, and also to connect their learning journey experiences with their History lessons. The schedule is as follows:

Date	Time	Classes
Mon 13 Feb	3 to 5pm (depart from school at 2pm)	Secondary 2A, 2C and 2D
Wed 15 Feb		Secondary 2E, 2F and 2G
Thu 16 Feb		Secondary 2B

2-way transport will be provided. More details will be provided nearer the date.

12. Hua Yi Parent Support Group

The Hua Yi Parent Support Group (PSG) extends their warmest welcome to our new Secondary 1 students and parents.

Comprising like-minded parents who believe in playing an active role in the development of their children as well as the school community, the PSG is a strong partner in supporting school programmes and activities for the holistic development of our students. In journeying with their children through secondary school, parents in the PSG also establish a strong network of experiences and resources to support one another in nurturing positive family relationships with their children.

The PSG Welcome Party, which will be held in February to receive the new members of the PSG, will be an excellent opportunity for parents to establish new friendships and start the journey together to support their children and the school community. If you would like to join the PSG family, you can sign up at <https://form.gov.sg/#!/5fb9a5682bcec70011412c8b>. You can also find more information on the PSG at <https://huayisec.moe.edu.sg/the-hua-yi-community/parent-support-group>.

13. Vehicular Traffic: No Right Turn from Mondays to Fridays, 7:00am to 7:30am

To alleviate vehicle congestion during term time, we seek parents' cooperation to abide by our "No Right Turn" rule from Mondays to Fridays, 7:00am to 7:30am. Please turn left at the gate towards Jurong West St 42 during this time for a smoother exit from the school grounds. This will also allow other vehicles to enter the school quickly.

In addition, for the safety of our staff and students, please follow the traffic guidance given by our staff or security guards.

14. Conclusion

Please do visit our school website (<https://huayisec.moe.edu.sg/>) for updated information and details, or contact us if you have any questions.

The staff contact list can also be found on our school website (<https://huayisec.moe.edu.sg/who-we-are/our-people/staff-contact>).

We will frequently use the Parents Gateway mobile application to contact with, and inform parents of any important information, and it would be useful to download the application if you have not done so. You may refer to the list of FAQ (<https://pg.moe.edu.sg/faq>) related to Parents Gateway.

We look forward to your continued partnership in the development of our students.

Yours sincerely

Ms Sandra Gwee
Principal
Hua Yi Secondary School
